***COST/DEPOSITS**

The costs for this trip cover the leader's expenses. In setting the price per attendee for a trip and asking for a deposit, we estimate what the leader's expenses will be and how many people will sign up. Deposits will be refunded if the trip is cancelled for any reason. Approximately a fortnight to a week before the trip we calculate the actual price per attendee based on the numbers signed up. We try to reflect the actual cost of the trip as accurately as possible when setting the initial deposit but at this stage we may sometimes ask for a second payment if necessary

The deposit and this subsequent payment does not include any element of travel to and from the field trip location
