

**Fossil walk along the Fleet Lagoon, near Wyke Regis, Dorset plus visit to the Etches Collection Museum of Jurassic Marine Life, Kimmeridge - 19th May**

The morning will be spent at the Etches Collection Museum and the afternoon will be spent studying the sedimentary rocks and associated fossils along the Fleet.

If you wish to join please:

- Complete the booking form.
- Read the two risk/hazard assessment forms ( one for the morning and one for the afternoon).
- Send your £1 deposit for the trip by 2nd May, as per the instructions on the form.
- Please note there will be a separate entrance fee to the Etches museum to be paid on arrival at the museum by individual members. The Fee will be £7 or £9.50 depending on the eventual number in the group therefore please report to Tessa Seward, Field Trip Secretary on the day before paying the museum entrance fee.
